

MOVE

EARLY ACCESS GRANTED

Friday 13 May marked a significant project milestone for Campbelltown Hospital and the project team, as our builders handed over some key areas of the new clinical services building.

With 14 days until we commence the 12-week move plan, it's all systems go to ensure the place is ready to welcome you with open arms.

Although it is an exciting time for all, we know it's a busy period of packing and planning. Make sure you stay in the know by checking out our regular updates on the **[MOVE webpage](#)**.

CALL OUT FOR TOUR VOLUNTEERS

Campbelltown Hospital is hosting sneak peek tours for the community on Saturday 4 June, and we need your help.

We're looking for volunteers to host 45-minute tours of the new building and showcase your new workspace to the public.

If you're interested in volunteering, please fill in **[this form](#)** and email it to the **[Campbelltown Hospital General Manager's Unit](#)** by Friday 20 May.

Be sure to keep an eye out for your opportunity to tour the new building before it opens to the public. We will be running a range of tours to help familiarise you with your new space.

REDtalk

Missed our REDtalk on Thursday 12 May? Watch it **[here](#)** to keep across the exciting changes and get a project progress update.

Our move plan begins on Monday 30 May. The new main entrance is set to open on Monday 6 June and the Emergency Department is scheduled to move on Wednesday 29 June.

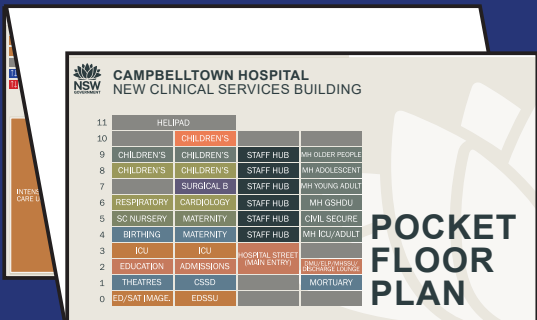

SUPERUSERS TO THE RESCUE

Each department has a superuser who is working closely with the redevelopment team to ensure we're ready for MOVE day.

If you have any questions, please contact your manager or superuser. If they don't know the answer, they'll work with the redevelopment team to find it out. Click the below to find out more about our superusers.
